CFI LEVEL 2 – TEAM LEADING

Course Overview

The Level 2 qualification is an excellent choice for practising or aspiring Team Leaders who wish to develop their skills and knowledge. You will learn how to communicate with your team, how to manage staff wellbeing, problem-solving and decision making. This qualification provides an ideal starting point for your career journey.

What will you learn?

- Skills and techniques to help you effectively lead your team
- How to guide your team to meet organisational objectives
- Deeper knowledge of the roles and responsibilities of a Team Leader
- How to apply your skills in the workplace

How will you learn it?

- Through specific units that are relevant to your workplace
- Full access to the CMI portal for the full range of resources and reference materials
- CMI membership for the duration of your course
- Online workshops at a time to suit you

Who will this course suit?

- Those who are newly appointed into the role of Team Leader or Supervisor
- Professionals who may have stepped up in the workplace
- Individuals looking to boost their career prospects and enhance their skills

CMI LEVEL 2 – TEAM LEADING

Additional Information

The level that you start at is dependent on your previous experience and education. Prior to signing up for a CMI course, we will carry out an analysis with you to ensure that you choose the qualification that best meets your needs. It is possible to progress from an Award to a Certificate and a Certificate to a Diploma.

Successful completion of the Certificate and Diploma qualifications will give you Foundation Chartered Manager Status. This is an exciting step if you wish to become a Chartered Manager.
